

Garden Club of Montclair shines at NJ Flower & Garden Show

The Garden Club of Montclair, one of more than 100 local garden clubs in the Garden Club of New Jersey, had an impressive presence at the 16th Annual New Jersey Flower & Garden Show at the New Jersey Convention & Expo Center in Edison.

Several club members competed in the Standard Flower Show portion of the event. The local club members entered in several categories, ranging from Design to Horticulture to Botanical Arts Artistic Craft (A Tiarra) to Botanical Arts Design (Pot-et-Fleur) to Botanical Arts Photography. The entries are all judged on specific standards and the event is highly competitive. Barbara Baletti, Cynthia Corhan-Aitken, Debbie Moran and Florence Leysse won award ribbons at the show.
